your best friend is suddenly cool and distant your spouse can't stop complaining about your bad habits your son refuses to talk to you what are you supposed to do plans a b and c might be to shut down lash out or get out but consider plan d recognize that god has the last word on those messy conflict ridden relationships he can

paul's letter to the galatians stands as a key book in the bible especially as it relates to the old testament law and to the christian's freedom in christ paul's emphasis on jesus's substitutionary death justification by faith and the work of the spirit makes the letter crucial for a complete understanding of the new testament's teaching on salvation through faith in christ combining scholarly depth with practical wisdom pastor todd wilson has written a commentary based on years of

ministry experience and biblical reflection resulting in a resource that is exegetically engaged theologically informed and pastorally relevant paul's passionate exhortation for the galatians to return and cling to the gospel that saved them remains relevant today reminding modern readers of the importance of god's grace for all of life part of the preaching the word series

change that goes deeper than the surface of our lives happens over the long haul as we daily remember and connect the truths of the gospel to our lives every day we need to be reminded in different ways that jesus god's own son came to this world to save us from sin sorrow and death the promises of god which are all yes in jesus

the book offers a new trinitarian and christological reading of christ's cry of dereliction that is grounded in historic orthodoxy arguing for an interpretation of the cry in relation to the communication of idioms in christology and the modal distinction between person and nature in trinitarian theology the book draws from a broad range of patristic scholastic and reformed sources this work is a must for scholars of christian theology

timothy s lane and paul david tripp skillfully help individuals and small groups identify the deeper issues that keep relationships less than they are designed to be they give practical direction on how to resolve conflicts have difficult conversations grant forgiveness overlook weaknesses celebrate strengths and grow casual
