tennessee williams s america is the first full length study of homes families and familial exile in the plays of tennessee williams the central argument of this book is that williams s vision of american life in his plays is predicated upon challenging the traditional idea of the home and family throughout his plays the patriarchal space of the american home and family is shown to victimize and oppress two of society s most marginalized groups women and queer people in williams s plays the experiences of one group often mirror and intersect with those of the other from his earliest plays such as candles to the sun and fugitive kind to the masterpieces of his major phase including battle of angels orpheus descending the rose tattoo cat on a hot tin roof period of adjustment suddenly last summer and sweet bird of youth through to the much maligned but equally rich works of his late period such as vieux carré and something cloudy something clear williams depicts the home as a place which restricts and suffocates those who fail to perform their expected gender role in the wider patriarchal framework of american life in its extended full length treatment of homes families and familial exiles in his theatrical output this book adds a new perspective to williams scholarship by examining the desperate and at times futile search for love relationality and belonging that his marginalized and alienated characters frequently pursue in alternative avenues of existence

thesis m a from the year 2006 in the subject american studies literature grade 1 0 university of cologne amerikanisches institut language english abstract in this paper i will attempt a psychoanalytic reading of the male and the female in a selection of tennessee williams s plays in my opinion a psychoanalytic approach is the best way to do justice to williams s disturbed characters and to explain the concepts of sex gender and culture that are inherent in each of his plays the interrelation of these concepts will be of the utmost importance in the analysis of the glass menagerie 1945 a streetcar named desire 1947 cat on a hot tin roof 1955 orpheus descending 1957 suddenly last summer 1957 and sweet bird of youth 1959 however before turning to the analysis of tennessee williams s plays i will first delineate the concept of psychoanalysis as such since sigmund freud who is conceived of as the father of psychoanalysis psychoanalysis has come a long way and even though it is today regarded as a somewhat conservative discipline it still retains a disruptive attitude towards the conventional discourse of gender and sexuality it furthermore has the capacity to undermine notions of fixed identity including sexual identity and although psychoanalysis may not be used as a method of treatment in clinical psychiatry anymore it still proves successful when it comes to

analysing the notion of sex gender and culture in literary texts for instance i will begin the paper with an outline of sigmund freud s essays on the three stages of psychosexual development of the child and give a brief account on the general workings of human sexuality via freud s essays i will show that sexuality is inextricably linked with modern western society and that sexual drives are repressed in order to guarantee the individual s entrance into society and culture seit freud wird die entstehung und funktion moralischer motive im individuum und in der gesellschaft unter berücksichtigung psychosexueller entwicklungsphasen aus der dialektik zwischen der triebnatur des menschen und seiner gebundenheit an kulturelle und soziale wert und normsetzungen abgeleitet lhuman sexuality then turns out to be a cultural product that is based on heterosexual behavior and procreation via these aspects i will forge a link to williams s disturbed characters who fail to associate with normative sexuality in order to further explore the connection of sex gender and culture i will also take jacques lacan s contribution to psychoanalysis into consideration
