the hammerheads an elite force compromised of the latest and most deadly weaponry ever prepares to do battle with the cuchillos drug cartel halting the flow of drugs entering the united states

in a volatile world america s worst nightmares can become real anywhere anytime and with no warning but there is one potent defense a top secret military facility in the nevada desert where the high tech future of warfare is being conceived and constructed masters of astonishing military technology that enables them to deploy almost instantaneously to any part of the earth the dreamland team must now stop a dangerous revolution in the making in eastern europe where a mysterious group of insurgents has blown up an essential pipeline thereby disrupting europe s gas supply with nato and the eu paralyzed by the crisis it falls to dreamland s best and brightest to keep the world from the brink of another cold war but the secret hand of an old enemy is pulling the strings from the shadows hoping to reap the rewards of chaos and the devastating results could erupt with intense white hot fury

dreamland collection 1 has descriptive copy which is not yet available from the publisher

the military techno thriller a history takes a close look at this widely read but still little studied genre tracing its origins from the victorian era invasion story to its 1980s heyday as king of the bestseller list in the hands of authors like tom clancy down to today considering its interaction with other genres and other media throughout in the process this book also tells the larger story of how the ways in which we think about

imagine and portray war evolved during the last century to bring us to where we are now

usaf captain breanna stockard is training brunei pilots to fly the eb 52 megafortress but when an attempted kidnapping threatens a major arms deal breanna and her husband major jeff zen stockard must uncover a plot that could mean armageddon original

the destruction of a russian air base by robotic u s warplanes has reawakened the bear and america must pay a terrible price in retaliation russia s leader launches the most devastating military sneak attack since pearl harbor decimating america s strategic air forces now an embattled u s president must choose between two horrific scenarios a cease fire on the enemy s terms or respond with every weapon in the nation s arsenal possibly triggering global thermonuclear war disgraced and demoted to a desk job aerial warfare expert brigadier general patrick mclanahan saw the nightmare coming and only he can stop the relentless russian war machine but the fight for the future must take place in the blazing skies a battlefield off limits to the discredited former commander of air battle force unless mclanahan takes matters into his own hands

in military circles it s known as air battle force an air combat unit of the future under the command of aerialwarfare expert major general patrick mclanahan capable of launching stealthy precision guided firepower to anywhere on the globe within hours and now mclanahan and his warriors have their first target driven from afghanistan the parasitic forces of the deposed taliban regime have decided to feed on a new host an isolated oil rich central asian neighbor that s ripe for the conquering the battle for control of the world s largest oil deposits has begun with unsteady alliances forming and opposing forces set to collide and now a handful of american commandos half a world away aided by mclanahan s unproven robotic warplanes will have to triumph against overwhelming numbers in a war that nobody including friendly forces at home wants them to win
